

PERIWINKLE GUESTHOUSE

DISTANCE TO SCHOOL : 300 meters

DISTANCE TO BEACH : 300 meters

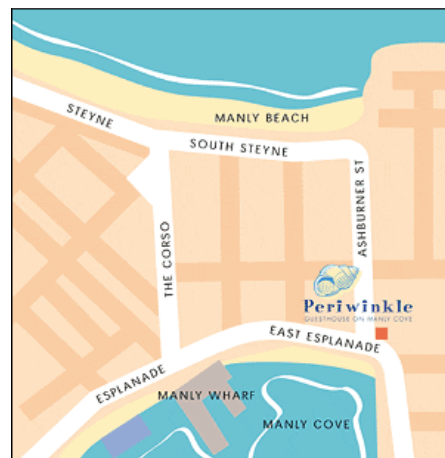

A boutique guesthouse on the blue waters of beautiful Manly Cove. Built in 1895 on an original land grant, Periwinkle Guesthouse is among a small number of surviving buildings from the Federation era and one of the most charming places to stay in Manly. With an ambience often likened to buildings situated in the French Quarter of New Orleans, Periwinkle is nonetheless Aussie to the core. Cool and quiet with ceiling fans, antiques and attractive cane furniture, the decor complements perfectly the guesthouse's location by the blue waters of Manly Cove and the nearby ocean
